COMMUNITY

Sacramento Kings Small Business Partner

ABOUT

Lush Dental Studio is a cosmetic and general dental practice built around one idea: dentistry should feel different. Patients get private suites with three screens and Netflix, noise-canceling headphones, neck pillows and anxiety blankets. Veneers are designed, shaded and finished with the practice's in-house lab.

AWARDS

Sacramento Favorites 2023, 2024, 2025 & 2026
